

Household Care Packages

Household care packages are given to families so that they can keep their home healthy.

Dignity includes feeling comfortable and clean.

Many families who access services at The Family Partnership experience scarcity with necessities, such as cleaning supplies. Care packages are bags that contain a variety of household cleaning products, such as the items listed below. They are given to individuals and families, in all programs, who need supplies.

Items may include:

- *Trash bags*
- *Laundry detergent*
- *Dish soap or dishwasher detergent*
- *Hand soap*
- *All-purpose household cleaners*
- *Sponges*
- *Facial tissues*
- *Paper towels*
- *Disinfectant wipes or spray*
- *Washcloths or dusting cloths*

Please note that all items must be unopened and in the original packaging.
