

# Parenting for the Future

*Providing support to parents who have cognitive limitations with at least one child under 5 years of age living at home*

## Who is this for?

Parents with cognitive limitations adversely affecting their parenting skills who have at least one child under the age of five living at home.

## What do we offer?

- Parent education through weekly classroom instruction weekly.
- Connection to community resources.
- Home visits to ensure that parenting skills learned in groups are transferred to the home.
- Access to immunizations and Well-Child checkups.
- Developmental screenings for your child. If needed, we offer early therapy intervention.
- Early childhood education and developmental support for children age infant to five years at our preschools.

## What is the cost?

This program is fully funded by Hennepin County.
