

Greenman Innovation Fund

New Fund to Support Strategic Investments

In Honor of Molly Greenman's Leadership and Legacy

Molly Greenman, respected President and CEO of The Family Partnership, is retiring at the end of June 2022. The Family Partnership has established the **Greenman Innovation Fund** in honor of Molly's 35 years of service to the organization (with 18 as President and CEO).

THE GREENMAN INNOVATION FUND WILL:

- *Be used for strategic investments to continue the spirit of innovation that occurred under Molly Greenman's leadership;*

- *Have funds released only upon a vote of the full board of directors; the board will act on proposals initiated by the CEO defining any proposed use of the funds;*
- *Not be used to supplement the standard operating budget.*

The goal is to raise \$500,000.

*Please consider a gift to honor Molly and
to invest in future innovations at The Family Partnership!*
