

Parenting for the Future

Providing support to parents who have cognitive limitations with at least one child under 5 years of age living at home

Who is this for?

Parents with cognitive limitations adversely affecting their parenting skills who have at least one child under the age of five living at home.

What do we offer?

- Parent education through weekly classroom instruction weekly.
- Connection to community resources.
- Home visits to ensure that parenting skills learned in groups are transferred to the home.
- Access to immunizations and Well-Child checkups.
- Developmental screenings for your child. If needed, we offer early therapy intervention.
- Early childhood education and developmental support for children age infant to five years at our preschools.

What is the cost?

This program is fully funded by Hennepin County.
