Host a GiveMN Fundraising Page

1. **Follow this link to GiveMN**
    - You will be prompted to create an account or login if you already have one
    - Once logged in, click "get started"
2. Check "use template provided by organization" then select the "launch page manager" button.
3. **Edit your fundraiser name.** You can customize this or just plug in your name.
4. **Edit your fundraising goal.** This should be increments of $400 (the cost of one bin). We can help you think through your goal if you like.
5. **Add a photo to "fundraiser image"** Ideally, a photo of you. If you don't have one you want to use, we can provide you with a TFP logo or photo.
6. **Edit duration:** set November 19 as the fundraiser end date
7. **Edit "Story" Section.** You can add a custom intro to this section explaining your connection to TFP, or you can use just the provided text. Regardless, be sure to edit the three sections highlighted in yellow (in the template)!
    a. Fundraising goal
    b. Number of bins
    c. Number of bins again
8. **IMPORTANT: hit SAVE before you exit**
9. **Lastly, click publish! (green button at top of page)** Your page will have a unique URL you can share via social media, email, text, etc.
